This foundation grants wishes to terminally ill children. You can contact them at www.wish.org or call 1-866-880-1382. They will ask for an address to send a card to. NOMINATIONS FOR 2008 OFFICERS AND DIRECTORS OF GAHA

The Nominating Committee consists of those members of the GAHA Board of Directors whose 3-year terms are NOT expiring at the end of the present year. Traditionally, that committee meets and selects one name for each officer position and one name for each of the directors' slots that currently are expiring or, for some other reason, slots that need to be filled. This in no way precludes GAHA voting members from putting additional names on the ballot by nominating from the floor at our annual elections meeting. However, it is my opinion that this process is stifled by the fact that a list is presented as if it is a 'done deal' with only one name presented per position.

As Chairperson of the 2007 Nominating Committee, I would ask the membership to contact me with names of those members they would like to see on the ballot. I would prefer that the list that is presented to the membership by the Committee to contain more than one name for most positions. The GAHA members will be informed of the final list at least 45 days in advance of the election meeting to be held in January 2008. And those who cannot attend the election meeting will be given the opportunity to vote by proxy. And, again, I stress the fact that additional names can still come in as a result of floor nominations at the January 2008 meeting.

Please submit to me either by phone, email or in writing:

Club and Membership News

All of you should have received a letter from Denni Mack, GAHA Board Member and Chairman of the Nominating Committee for 2008 elections in the mail this week along with the GAHA Membership Directory. Please read Denni's letter carefully. We want ALL members to participate in our club. If you want to be considered for a Board seat, or officer seat, or you would like to nominate someone, please contact Denni as soon as possible and let her know. And once you receive your voting package in December, please send in your proxy if you are unable to attend the Annual meeting.

YOUR VOTE IS YOUR VOICE AND THEY BOTH COUNT!

=====

DIRECTORY

The 2007-2008 Membership Directory will be the last one that the club produces. The Region 12 Directory includes all GAHA members that are linked through AHA, and it would be a great cost savings to us as a club. The information in the Directory is taken from the AHA database. If you find incorrect information, please contact Kathy Hedgepeth to get it corrected

=====

MEMBERSHIP DRIVE

If you are an adult GAHA member, or a GAHA Life Member and not linked to our club through AHA, (linked to another club or GAHA only), please consider doing so. The number of delegates that we send to convention is determined by this number. We have many members that have GAHA memberships and memberships with other clubs. You determine what club your delegate vote goes to when renewing your AHA membership. If you choose another club as your "home" club, that club is the one that can claim you for delegate counts and you are recognized by AHA as belonging to that club only. Only one club membership can be linked to one AHA membership. You can however purchase a second AHA membership to link with GAHA. The cost to link your GAHA membership to AHA is \$25. While duplicate AHA memberships may seem redundant, you will be helping our delegates represent GAHA with the strongest voice possible. Please let Kathy Hedgepeth know if you want to do this. She can handle all of the details for you.

We missed sending an extra delegate to Convention by 10 memberships this year. We don't want to let that happen again so we are initiating a membership drive for 2008. The person who accumulates the most points will have their 2008 AHA/GAHA dues WITH competition card paid by GAHA. They will also receive two bridle bags. The two runners up will also receive a bridle bag. A form was also sent along with the Directory package and one is posted here also that will give details on how this works. The Prize will be awarded at our 2008 Annual Meeting in January. Our Youth memberships are important to us too so we've included a little something for them too with the Membership Drive. Each current GAHA youth member that brings us a NEW youth member will receive a bridle bag too! Our goal is to get our total AHA/GAHA recognized membership to 251 or MORE! That is 58 more than we have now. That would give us a cushion, and get us 2 more delegates for 2008.

Details on the Annual Election and Membership Meeting will be mailed in December along with your voting package. Please plan to attend.

See you all in January at the Meeting in January!

Kathy Hedgepeth

In 1998, we leased a daughter of EAGLE EL HILAL from Nancy Pope and bred her to DAEN and produced the lovely DAENCIN INTHE DARK who is owned by Raven Gropp of Augusta, GA and who has won on the Regional and National level as well. She has had Top 10's at the 2006 Youth Nationals.

We will be standing our Friesian stallion, THE WIZARD at stud this coming spring to outside mares. He is very much like DAEN and we hope he will step in DAEN's empty shoes. He gave us a stunning half Friesian, buckskin Appaloosa colt this year...his first foal. Spring of 2008 will bring his first half Arabian

foals. One is a bay daughter of EAGLE EL HILAL who is a KHEMOSABI granddaughter and the other mare is the lovely, BLACK VALVETTROSE owned by Mary Rivers-Downey. We will breed our lovely JADZIA to WIZARD in the coming year.

THE WIZARD will be attending the Sun Valley fun show in December as well as the half Arabian, DAEN daughter, LOVE DAENCER who is a driving champion and was long listed for the World Singles Championship in Sweden.
